## ABOUT US

Adhunik Powertech Pvt. Ltd. is a reputed & reliable name in the HVAC industry for delivering various projects in different portfolios such as Air Cooling, Air Conditioning, Clean Room & OTs, Basement Ventilation & complete turnkey project solutions. We have a dedicated team of trained engineers and technicians capable of delivering on time and quality work with proper technical validations. We are a company based in DLF Corporate Greens, Sector 74A Gurugram, Haryana and have delivered 600+ projects across India.

## REASONS FOR CHOOSING US FOR HVAC PROJECTS

- Adhunik Powertech provides HVAC solutions (Engineering, procurement, and execution) to clients of various industries, executing turnkey HVAC projects all over India.
- Our focus while system designing & selection is to provide energy-efficient & cost-effective cooling solutions with minimum maintenance.
- We execute all the projects under NBC, CPWD & NABH guidelines. We also follow ISHRAE, ASHRAE & ISO Standards. We are committed to safety, measurement & precautions during the execution of the work.
